

2019  
Collie Health Foundation  
Auction Catalog

Thursday Night  
March 28, 2019

## **2019 Collie Club of America National Peoria, Illinois**

I'd like to welcome everyone to another exciting evening of education, food, drinks, several one of a kind Collie memorabilia and collectibles. The Collie Health Foundation is in the middle of another busy week at this year's CCA National in Peoria, Illinois. We have our very own Dr. Nancy Kelso doing double duty again this year. As our educational speaker tonight, I know Dr. Kelso will teach all of us something we didn't know when we walked through the door tonight about hip and elbow dysplasia, PennHIP and OFA.

I was happy to offer a sit-down dinner this year because the prices were a little more reasonable here in the Heartland. I want to thank Krista Hansen for taking care of reservations again this year. A huge thank you to David Hansen, DVM for taking on the auctioneer role by himself this year. We'll miss Bob Kelly but we know he will show up again soon. This evening is just like the whole week, without our volunteers it wouldn't be possible to hold this event. Thanks to our set up crew, our Vannas and most of all the cleanup crew! In between we have the money handlers, headed up by our Treasurer, Karen Anderson and her sister, Susan Hernquist, who is a Corporator now. We can't leave out our editor, publisher, and chief bottle washer, Mary Hunter, for another beautiful job on the auction catalog! It does take a village.

This year we had a very special surprise from Shelley Roos and Ron Roos with the donations from the Wickmere Collection to CHF in memory of their wonderful parents George and Bobbee. We have a museum framed print that hung in the Ayers Family business until last year when Linda Ayers Turner Knorr donated it to CHF in loving memory of her parents Roy and Hazel. We have several items from the estates of Sue Barlow, Billy Aschenbrenner, Chip and Pat Akins, and Bill and Bettie Crawford and there will be more items arriving that, at this time. I don't know about. Please remember CHF in your will. CHF would like to thank the donors of the beautiful artwork both new and old. If you watch the auction catalogs, year to year, you will see different items donated by the same people yearly, people like Ana and Julien Goulet, Kathy Peters, Cindy Alvarado-Yeary, and too many more to list here. These people have the same passion about preserving the Collie as our volunteers.

**This is a reminder that you only have one more day to take advantage of the Martha E Hoffman CHIC DNA banking clinic and the Optimal Selection™ collection clinic. To my knowledge we are the only health foundation that offers our members a rebate and makes it easy for you to bank your dogs! Please take advantage of this!**

None of this is possible without every facet of Collie Enthusiasts, from the donors to the buyers and everything in between. I expect another exciting year in Canine Health for 2019. Pat yourselves on the back for being part of it!

*Robette*

Listen honey, you know  
those cheeks aren't going  
to swab themselves ...

Test your Collie(s)  
at this year's  
National in Peoria!

## ***On the Covers***

The front cover features Time of Innocence, a print by Cindy Alvarado (Cindy Alvarado-Yearly). This was her first Collie print ever. The original, was a watercolor painting with the boy modeled on her son, Jason. It has been sold out for many years. See item #5!

The photo on the back cover is courtesy of Russell Dyke and Julie Hinrichsen.

A very special thank you to  
 Corporate Document Services, Inc. of Overland Park, Kansas  
 for printing this catalog
